📁 PROFESSIONAL EXPERIENCES

Summer Internship - Full Stack Developer, Ads&Co

07/2023 – 09/2023 | Monastir, Tunisia

During my internship at Ads&Co, I helped create InfluenceConnect, a platform that connects influencers with companies for collaborations. This experience let me use my skills, learn new tech and work with a great team.

Final Year Student Internship - JS Developer,

Docstream Solutions

02/2022 – 07/2022 | Monastir, Tunisie

Managed for four months to develop two JavaScript plugins: the first plugin focused on the user interface (UI) and user experience (UX), specifically a calendar; the second is a PDF Viewer enabling users to read, zoom, and sign documents.

Summer Internship - CMS Developer, Emerillon MC

06/2021 – 08/2021 | Monastir, Tunisie

I've managed for 2 months to update their website with precision to details discussed.

🏠 ORGANISATIONS

IEEE, Active member | TSYP attendee

2021 – 2022 | Monastir, Tunisie

I have participated and joined with organizing many events of Computer Science and Informatics in general. I had the honor to be present in the 2022 TSYP edition with IEEE ISIMM SB.

Hult Prize, Active member

2020 | Monastir, Tunisie

My team of four tackled global food insecurity by creating an app connecting students with local cooks for nutritious meals. We emphasized social impact, empowering economical cooks. Our efforts won us second place.

APEK, Active member | Project manager

2016 – 2019 | Monastir, Tunisie

Being an active member of an association for 3 years and taking big responsibilities in big projects and events taught me a lot about leadership and challenges.
